PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS  
TO BE HELD AUGUST 1, 1995

GENERAL INFORMATION

The enclosed proxy is being solicited by the Board of Directors of Aaron Rents, Inc. (the "Company") for use at the 1995 annual meeting (the "Annual Meeting") of shareholders to be held on Tuesday, August 1, 1995, and any adjournment thereof.

Each proxy that is properly executed and returned by a shareholder will be voted as specified thereon by the shareholder unless it is revoked. Shareholders are requested to execute the enclosed proxy and return it in the enclosed envelope. If no direction is specified on the proxy as to any matter being acted upon, the shares represented by the proxy will be voted in favor of such matter. Any shareholder giving a proxy has the power to revoke it at any time before it is voted by the execution of another proxy bearing a later date or by written notification to the Secretary of the Company. Shareholders who are present at the Annual Meeting may revoke their proxy and vote in person.

The affirmative vote of a plurality of the holders of shares of the Company's Class A Common Stock present, in person or represented by proxy, at the Annual Meeting will be necessary to elect the nominees for director listed in this Proxy Statement. The presence, in person or by proxy, of holders of a majority of the outstanding shares of the Company's Class A Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be included in determining whether a quorum is present at the Annual Meeting, but will otherwise have no effect on

the election of the nominees for director. An automated system administered by the Company's transfer agent will tabulate the votes cast.

Only shareholders of record of Class A Common Stock at the close of business on June 9, 1995 are entitled to vote at the Annual Meeting. A list of all shareholders entitled to vote will be available for inspection at the Annual Meeting. As of June 9, 1995, the Company had 4,022,263 shares of Class A Common Stock and 5,692,730 shares of Class B Common Stock outstanding. Each share of Class A Common Stock entitles the holder thereof to one vote for the election of directors and any other matters that may come before the Annual Meeting. The holders of the Class B Common Stock are not entitled to vote with respect to the election of directors nor with respect to most other matters presented to the shareholders for a vote.

The Company will bear the cost of soliciting proxies, including the charges and expenses of brokerage firms, banks and others for forwarding solicitation material to beneficial owners of shares of the Company's Common Stock. The principal solicitation is being made by mail; however, additional solicitation may be made by telephone, telegraph or personal interview by officers of the Company who will not be additionally compensated therefore. It is anticipated that this Proxy Statement and the accompanying proxy will first be mailed to shareholders on July 13, 1995.

Based solely on copies of such reports furnished to the Company and written representations that no other reports were required, the Company believes that all applicable Section 16(a) filing requirements were complied with by its directors, officers and 10% shareholders during the last fiscal year, except that Mr. Dolive inadvertently filed one report showing an incorrect number of shares held by him, which report was subsequently corrected by amendment.

#### BOARD OF DIRECTORS' REPORT ON EXECUTIVE COMPENSATION

Decisions on compensation of the Company's executive officers generally are made by the entire Board of Directors, based upon the recommendation of the Chief Executive Officer. The Company has no separate compensation committee. Pursuant to rules of the Securities and Exchange Commission designed to enhance disclosure of public company policies toward executive compensation, set forth below is a report submitted by the Board of Directors addressing the Company's executive compensation policies.

GENERAL. The objectives of the Company's compensation program are to enhance the profitability of the Company, and thus shareholder value, by aligning executive compensation with the Company's business goals and performance and by attracting, retaining and rewarding executive officers who contribute to the long-term

7

success of the Company. In determining the compensation to be paid to the executive officers of the Company, the directors rely upon their own knowledge of compensation paid to executives of companies of comparable size and complexity and consider the performance of the Company and the merits of the individual under consideration. It is the Company's intention that the compensation to be paid to its executive officers will not exceed the present maximum allowable amount for purposes of deductibility set forth in the Internal Revenue Code.

SALARY AND BONUS. The Chief Executive Officer makes recommendations annually to the Board of Directors regarding the base salary and bonus, if any, for the Company's executive officers, including the Chief Executive Officer, based upon the profitability of the Company and the level of responsibility, time with the Company, contribution and performance of the executive officer. Evaluation of these factors is subjective, and no fixed, relative weights are assigned to the factors considered. The beginning point for determining such salaries is the salary the executive officer received in the prior fiscal year. The Chief Executive Officer received a salary of \$454,000 during fiscal year 1995, which represented a 3% decrease over his salary for fiscal year

1994. At its November 1994 meeting, the Board of Directors approved a bonus plan (the "Plan") for its executive officers and key employees for the 1995 fiscal year. Under the Plan, bonuses were to be distributed from a bonus pool of up to 2% of the Company's fiscal 1995 pre-tax earnings (without giving effect to bonuses under the Plan) if the Company's fiscal 1995 pre-tax earnings (after giving effect to bonuses under the Plan) exceeded fiscal year 1994 pre-tax earnings, which goal ultimately was achieved. Of the total amount available, the Chief Executive Officer was eligible under the Plan to receive a bonus of up to two-thirds of the bonus pool, and the remaining one-third was to be distributed as determined in the discretion of the Chief Executive Officer among designated executive officers and key employees of the Company. The Board of Directors authorized a \$184,000 bonus for the Chief Executive Officer, as well as \$216,832 in bonuses for the Chief Financial Officer, the other executive officers and other officers and key employees of the Company, for services rendered in fiscal year 1995. Factors considered in setting the Chief Executive Officer's salary and bonus included the continued improvement in the Company's financial condition and Common Stock trading prices during the fiscal year, and his dual role as both Chairman of the Board of Directors and President of the Company.

STOCK OPTIONS. The Company in the past has used grants of stock options to its key employees and executive officers to more closely align the interests of such employees and officers with the interests of its shareholders. Prior to expiration of the 1990 Stock Option Plan on March 31, 1995, the Stock Option Committee awarded options to purchase 252,000 shares of Class B Common Stock during the 1995 fiscal year to key employees and executive officers of the Company. No options were awarded to the Chief Executive Officer during fiscal year 1995. Options granted to the other Named Executive Officers during the last three fiscal years are reflected in the Summary Compensation Table above.

Information with respect to the Company's Common Stock for periods subsequent to November 1992 relates to the Company's Class A Common Stock and Class B Common Stock and treats the issuance to the shareholders of the Class B Common Stock in connection with the Company's November 1992 recapitalization as a stock dividend on the Common Stock. COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Company has no Compensation Committee. The Board of Directors of the Company, upon the recommendation of the Chairman and Chief Executive Officer, determines the annual compensation payable to its executive officers. The following directors of the Company served as officers or employees of the Company or its subsidiaries during the last fiscal year or prior thereto: R. Charles Loudermilk, Sr., Gilbert L. Danielson, Keith C. Groen and Robert C. Loudermilk, Jr.

The Company leases from Mr. Loudermilk, Sr. a 51,000 square foot building housing two stores and a vacant facility in Oklahoma City under a lease expiring in 1999 at a basic monthly rental of \$13,340, less the monthly rent of \$2,625 from the subtenant currently in the vacant facility. All insurance, taxes, assessments and other charges related to the property are paid by the Company as additional rent under the lease. Mr. Loudermilk, Sr. purchased the building in November 1980 from the Company at its cost of \$950,000.

The Company also leases a 49,000 square foot building housing four stores in Alexandria, Virginia from a general partnership of which Mr. Loudermilk, Sr. is a 25% partner under a lease expiring in 1999 at a basic monthly rental of \$16,882, subject to escalation every five years based on the consumer price index, but not to exceed 5%. All insurance, taxes, assessments and other charges related to the property are paid by the Company as additional rent under the lease. The building was constructed by the Company at a cost of \$1,200,000 and was purchased by the partnership at the Company's cost upon the building's completion in May 1980.

The Company also leases a 27,000 square foot building housing one store and a subtenant in College Station, Texas from a general partnership composed of Messrs. Loudermilk, Sr. and Loudermilk, Jr., under a lease expiring in 1999 at a basic monthly rental of \$6,000, less the monthly rent of \$1,500 from the current subtenant. All insurance, taxes, assessments and other charges related to the property are paid by the Company as additional rent under the lease. The partnership purchased the building in March 1989 from an owner unrelated to either the Company or the partnership at a cost of \$525,000 and subsequently expended approximately \$71,250 on permanent improvements.

The Company also leases a 67,000 square foot building housing two stores and a distribution center from Robert C. Loudermilk, Jr., under a lease expiring in 2004 at a basic monthly rental of \$15,913. All insurance, taxes, repairs, assessments and other charges related to the property are paid by the Company as additional rent under the lease. Mr. Loudermilk, Jr. purchased the building in 1994 from an owner unrelated to either the Company or Mr. Loudermilk, Jr. at a cost of \$1,150,000 and subsequently expended approximately \$150,000 on repairs to the building. The Company spent \$239,515 on improvements to accommodate its use of the building.

The Company believes that the property sales and lease terms are as favorable as those that could have been obtained at the same time from unaffiliated parties.

Each of two irrevocable trusts holds a cash value life insurance policy on the life of Mr. Loudermilk, Sr., the aggregate face value of which is \$4,400,000. The Company and the Trustee of such trusts are parties to split-dollar agreements pursuant to which the Company has agreed to make all payments on the policies until Mr. Loudermilk, Sr.'s death. Upon his death, the Company will receive the aggregate cash value of those policies, which as of March 31, 1995 represented \$433,051, and the balance of such policies will be payable to the trusts or beneficiaries of such trusts. The premiums paid by the Company on these policies during the past fiscal year totalled \$161,756.
