PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held May 6, 2003

GENERAL INFORMATION

The enclosed proxy is being solicited by the Board of Directors of Aaron Rents, Inc. (the "Company") for use at the 2003 annual meeting of shareholders to be held on Tuesday, May 6, 2003 (the "Annual Meeting"), and any adjournment thereof.

Each proxy that is properly executed and returned by a shareholder will be voted as specified thereon by the shareholder unless it is revoked. Shareholders are requested to execute the enclosed proxy and return it in the enclosed envelope. If no direction is specified on the proxy as to any matter being acted upon, the shares represented by the proxy will be voted in favor of such matter. Any shareholder giving a proxy has the power to revoke it at any time before it is voted by executing another proxy bearing a later date or by written notification to the Secretary of the Company. Shareholders who are present at the Annual Meeting may revoke their proxy and vote in person.

The affirmative vote of a plurality of the holders of shares of the Company's Class A Common Stock present, in person or represented by proxy, at the Annual Meeting will be necessary to elect the nominees for director listed in this Proxy Statement. The affirmative vote of the holders of a majority of the issued and outstanding shares of Class A Common Stock, in person or represented by proxy, at the Annual Meeting will be necessary to approve the proposed amendment to the Company's Articles of Incorporation to increase the number of authorized shares of Common Stock of the Company from 25,000,000 to 50,000,000 as described in this proxy statement. For other matters that may be properly presented at the Annual Meeting, the matter will be approved if more shares of Class A Common Stock are voted in favor of the matter than against it, unless a greater vote is required by law. The presence, in person or by proxy, of holders of a majority of the outstanding shares of the Company's Class A Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be included in determining whether a quorum is present at the Annual Meeting, but will otherwise have no effect on the election of the nominees for director or the approval of any of the other proposals. Broker non-votes are proxies received from brokers or other nominees holding shares on behalf of their clients who have not received specific voting instructions from their clients with respect to non-routine matters. An automated system administered by the Company's transfer agent will tabulate the votes cast.

Only shareholders of record of Class A Common Stock at the close of business on March 14, 2003 are entitled to vote at the Annual Meeting. A list of all shareholders entitled to vote will be available for inspection at the Annual Meeting. As of March 14, 2003, the Company had 3,731,706 shares of Class A Common Stock and 17,983,652 shares of Common Stock outstanding. Each share of Class A Common Stock entitles the holder thereof to one vote for the election of directors and any other matters that may come before the Annual Meeting. The holders of the Common Stock are not entitled to vote with respect to the election of directors or the other proposal described herein or with respect to most other matters presented to the shareholders for a vote.

The Company will bear the cost of soliciting proxies, including the charges and expenses of brokerage firms, banks, and others for forwarding solicitation material to beneficial owners of shares of the Company's Class A Common Stock. The principal solicitation is being made by mail; however, additional solicitation may be made by telephone, telegraph, or personal interview by officers of the Company who will not be additionally compensated therefore. It is anticipated that this Proxy Statement and the accompanying proxy will first be mailed to shareholders on April 7, 2003.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers, and persons who own more than 10% of either class of the Company's common stock, to file with the Securities and Exchange Commission certain reports of beneficial ownership of the Company's common stock. Based solely on copies of such reports furnished to the Company and written representations that no other reports were required, the Company believes that all applicable Section 16(a) filing requirements were complied with by its directors, officers, and 10% shareholders during the year ended December 31, 2002, except for the late filing of the initial Form 3 by Ray M. Robinson following his election to the Board.

ELECTION OF DIRECTORS

(Item 1)

The Company's Bylaws provide for the Board of Directors to be comprised of eleven members. The Board recommends the election of the nine nominees listed below to constitute the entire Board, who will hold office until the next annual meeting of shareholders and until their successors are elected and qualified. If, at the time of the Annual Meeting, any of such nominees should be unable to serve, the persons named in the proxy will vote for such substitutes or will vote to reduce the number of directors for the ensuing year, as management recommends, but in no event will the proxy be voted for more than nine nominees. Management has no reason to believe any substitute nominee or reduction in the number of directors for the ensuing year will be required. The Board has not named a tenth or eleventh nominee for director, which will result in two vacancies on the Board until the Board names additional nominees or reduces the size of the Board to nine members.

All of the nominees listed below are now directors of the Company. The following information relating to age, positions with the Company, principal occupation, directorships in companies with a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended, subject to the requirements of Section 15(d) of that Act or registered as an investment company under the Investment Company Act of 1940, has been furnished by the respective nominees.

**PROPOSAL TO AMEND THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE
THE NUMBER OF SHARES OF THE COMPANY'S AUTHORIZED COMMON STOCK
(Item 2)**

The Board of Directors resolved on February 18, 2003, to amend the Company's Amended and Restated Articles of Incorporation (the "Amendment") to increase the number of shares of the Company's authorized

Table of Contents

Common Stock, \$.50 par value per share ("Common Stock"), from 25,000,000 to 50,000,000, and to submit the Amendment to the shareholders at the Annual Meeting for their approval.

The Board of Directors believes that it is in the Company's best interests to increase the number of shares of authorized Common Stock to have additional shares available to meet needs if they arise. As of the Record Date, 17,983,652 shares of Common Stock were issued and outstanding. Of the remaining authorized shares of Common Stock, 1,817,300 shares were reserved for issuance upon the exercise of options previously granted or available to be granted under the Company's options plans, 2,012,335 shares are held in treasury and 3,186,713 shares remain unissued, unreserved and available for future corporate purposes.

The purpose of increasing the authorized number of shares of Common Stock is to give the Board of Directors greater flexibility in connection with the Company's capital structure, possible future financing requirements, employee compensation and other corporate matters. If the Amendment is approved, the Board of Directors would be permitted to issue Common Stock for any proper corporate purpose — including stock splits, stock dividends, acquisitions of other businesses or properties, raising additional capital, or issuances under current or future stock option or other employee benefit plans — without obtaining approval of the shareholders. Shares of Common Stock could be issued publicly or privately.

Holders of the Common Stock do not have preemptive or similar rights to subscribe for additional securities which may be issued by the Company, and the issuance of additional securities may have a dilutive effect on existing holders of the Common Stock. The Company does not presently have any agreements, understandings or arrangements regarding the possible issuance of any Common Stock subject to approval under this Amendment. The Amendment is not intended as an anti-takeover device and it is not proposed in response to any specific takeover threat known to the Board of Directors.

Nor does the Amendment affect the other classes of the Company's capital stock, including its Class A Common Stock, \$.50 par value per share, of which 25,000,000 shares are authorized for issuance, 3,731,706 are issued and outstanding and 1,630,055 are held in treasury, and its Preferred Stock, par value \$1.00 per share, of which 1,000,000 shares are authorized for issuance and none are issued or outstanding. Holders of Common Stock generally have no right to vote at meetings of shareholders, except where required by law or the Company's Articles of Incorporation. Pursuant to Georgia law and the Company's Articles of Incorporation, the number of authorized shares of Common Stock may be increased by the affirmative vote of a majority of the votes which may be collectively cast by holders of the Class A Common Stock — consequently, the holders of Common Stock are not entitled to vote on the Amendment.

Although the Company presently intends to file the Amendment with the Georgia Secretary of State as promptly as practicable after the Amendment is approved by the shareholders, the Board reserves the right to delay or abandon the Amendment at its discretion.

Approval of the Amendment will require the affirmative vote of a majority of the issued and outstanding shares of Class A Common Stock.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF THE AMENDMENT, AND THE ENCLOSED PROXY WILL BE VOTED IN THAT MANNER UNLESS THE SHAREHOLDER EXECUTING THE PROXY SPECIFICALLY VOTES TO THE CONTRARY OR ABSTAINS FROM VOTING ON THIS PROPOSAL.

Decisions on compensation of the Company's executive officers generally are made by the entire Board of Directors, based upon the recommendation of the Chief Executive Officer. The Company has no separate compensation committee. Pursuant to rules of the Securities and Exchange Commission designed to enhance disclosure of public company policies toward executive compensation, set forth below is a report submitted by the Board of Directors addressing the Company's executive compensation policies.

General. The objectives of the Company's compensation program are to enhance the profitability of the Company, and thus shareholder value, by aligning executive compensation with the Company's business goals and performance and by attracting, retaining and rewarding executive officers who contribute to the long-term success of the Company. In determining the compensation to be paid to the executive officers of the Company, the directors rely upon their own knowledge of compensation paid to executives of companies of comparable size and complexity and consider the performance of the Company and the merits of the individual under consideration. It is the Company's intention that the compensation to be paid to its executive officers will not exceed the present maximum allowable amount for purposes of deductibility set forth in the Internal Revenue Code.

Salary and Bonus. The Chief Executive Officer makes recommendations annually to the Board of Directors regarding the base salary and bonus, if any, for the Company's executive officers, including the Chief Executive Officer, based upon the profitability of the Company and the level of responsibility, time with the Company, contribution and performance of the executive officer. Evaluation of these factors is subjective, and no fixed, relative weights are assigned to the factors considered. The beginning point for determining such salaries is the salary the executive officer received in the prior fiscal year. The Chief Executive Officer received a salary of \$454,000 for the year ended December 31, 2002, which represented no change in his salary from the fiscal year ended December 31, 2001. For 2002, the Board of Directors approved a bonus plan (the "Plan") for the Chief Executive Officer for the fiscal year. Under the Plan, a bonus was to be given to the Chief Executive Officer in an amount equal to 1% of the Company's pre-tax earnings for the fiscal year ended December 31, 2002 (without giving effect to his bonus under the Plan) if the Company's pre-tax earnings for such fiscal year (after giving effect to his bonus under the Plan) exceeded pre-tax earnings for the fiscal year ended December 31, 2001, which goal ultimately was achieved. Factors considered in setting the Chief Executive Officer's salary and bonus included the successful acceleration of the Company's growth plans during the year, continued improvement in the Company's financial condition during the year and his dual role as both Chairman of the Board of Directors and Chief Executive Officer of the Company.

Stock Options. The Company in the past has used grants of stock options to its key employees and executive officers to more closely align the interests of such employees and officers with the interests of its shareholders. Options and awards equivalent to 204,500 shares of Common Stock were awarded to officers and employees during the year-end December 31, 2002. The Company awarded no options to the Chief Executive Officer or the other Named Executive Officers during 2002.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Company has no compensation committee. The Board of Directors of the Company, upon the recommendation of the Chairman and Chief Executive Officer, determines the annual compensation payable to its executive officers. The following directors of the Company served as officers or employees of the Company or its subsidiaries during the last fiscal year or prior thereto: R. Charles Loudermilk, Sr., Robert C. Loudermilk, Jr., Gilbert L. Danielson, and William K. Butler, Jr.

The Company purchased a parcel of land in 2000 and finished construction in 2001 of an approximately 50,000 square foot building which accommodates the Company's financial and information technology operations. The cost of this land and building was approximately \$6.1 million. During April 2002, the Company sold the land and building to a limited liability company whose sole owners are Mr. Loudermilk, Sr. and Mr. Loudermilk, Jr. for approximately \$6.3 million. The Company loaned the limited liability company approximately \$1 million to partially finance the acquisition, and the loan plus interest was paid back to the Company shortly after closing. The Company is leasing this facility from the limited liability company under a 15 year lease with a current rent of approximately \$60,000 per month.

Aaron Ventures I, LLC ("Aaron Ventures") was formed in December 2002 for the purpose of acquiring properties from the Company and leasing them. Messrs. Loudermilk, Sr., Butler, Rogovin and Cates are the managers of Aaron Ventures, and its owners are all officers of the Company, including all of the Named Executive Officers and six other executive officers. In December 2002, Aaron Ventures purchased eleven

[Table of Contents](#)

properties from the Company, all former Heilig-Meyers stores, for a total purchase price of \$5,000,000. The Company acquired these properties from Heilig-Meyers in 2001 and 2002 for an aggregate purchase price of approximately \$4,000,000. The price paid by Aaron Ventures was arrived at by adding the Company's acquisition cost to the cost of improvements made by the Company to the properties prior to the sale to Aaron Ventures. Aaron Ventures is leasing back the properties to the Company for 15-year terms at an annual rental of approximately \$635,000.

The Company leases a 49,000 square foot building housing two stores in Alexandria, Virginia from a general partnership of which Mr. Loudermilk, Sr. is a 25% partner under a ten-year lease expiring in 2008 at a basic monthly rental of \$17,726, subject to escalation every five years based on the consumer price index, but not to exceed 25%. All insurance, taxes, assessments, and other charges related to the property are paid by the Company as additional rent under the lease.

Each of two irrevocable trusts holds a cash value life insurance policy on the life of Mr. Loudermilk, Sr., the aggregate face value of which is \$4,400,000. The Company and the Trustee of such trusts are parties to split-dollar agreements pursuant to which the Company has agreed to make all payments on the policies until Mr. Loudermilk, Sr.'s death. Upon his death, the Company will receive the aggregate cash value of those policies, which as of December 31, 2002 represented \$1,814,605 and the balance of such policies will be payable to the trusts or beneficiaries of such trusts. The premiums paid by the Company on these policies during the year ended December 31, 2002 totaled \$242,676.

The Audit Committee of the Company's Board of Directors reviews all material transactions between the Company and the Company's directors and executive officers.

AUDIT MATTERS

Ernst & Young LLP served as auditors of the Company for the year ended December 31, 2002, and has been selected by the Audit Committee of the Board of Directors to continue as the Company's auditors for the current fiscal year. A representative of that firm is expected to be present at the Annual Meeting and will have an opportunity to make a statement and respond to appropriate questions.

Audit Fees. The aggregate fees billed by Ernst & Young LLP for professional services rendered for the audit of the Company's annual financial statements for the year ended December 31, 2002 and the reviews of the financial statements included in the Company's Forms 10-Q for that year were \$198,400.

All Other Fees. The aggregate fees billed for services rendered by Ernst & Young LLP for 2002, other than the services described above, were \$197,472. Of this amount \$86,200 related to tax compliance fees, \$50,000 related to registration statement work, \$44,172 related to employee benefit plan and statutory audit fees and \$17,000 was for other work completed.

REPORT OF AUDIT COMMITTEE

The Audit Committee is comprised of three "independent" members as defined under the listing standards of the New York Stock Exchange. The Audit Committee acts under a written charter adopted and approved by the Board of Directors on May 2, 2000.

Management has primary responsibility for the financial statements and the reporting process, including the systems of internal controls. The Company's independent auditors for 2002, Ernst & Young LLP, are responsible for performing an audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States and for expressing an opinion as to their conformity with generally accepted accounting principles. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee recommends to the Board of Directors an accounting firm to be engaged as the Company's independent accountants.

In keeping with its responsibilities, the Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2002 with management and has discussed with Ernst & Young the matters required to be discussed by the Statement on Auditing Standards No. 61

[Table of Contents](#)

(Communication with Audit Committees). The Audit Committee has also received the written disclosures and the letter from Ernst & Young required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Ernst & Young their independence. In addition, the members of the Audit Committee considered whether the provision of non-audit services by Ernst & Young for the year ended December 31, 2002 described above in AUDIT MATTERS — “All Other Fees” was compatible with maintaining Ernst & Young’s independence.

The Committee discussed with the Company’s independent auditors the overall scope and plans for their audit. The Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company’s internal controls, and the overall quality of the Company’s financial reporting.

Based on the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Audit Committee Charter, the Committee recommended to the Board of Directors that the audited consolidated financial statements of the Company be included in the Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

This report is respectfully submitted by the Audit Committee of the Board of Directors.
